WHO'S WHO ON THE CAMPUS TODAY . . . are the campus leaders pictured above. They are, standing, 1. to r., Roger Rowlett, Arthur Buckingham, Norman Higginbotham, Bill Geer, James Roll, Shirley Dieterich, Sue Wright, Nancy Kariger, Shirley Helts, Anna Cathberts, and Barbara Gromer.

Student Senate Plans to Change Antiquated Student Constitution

Members of the student body should be aware of the fact that an effort is being made to provide a modern constitution for the Student Government Association.

Art Buckingham, president of the Student Senate, has recently obtained copies of student government constitutions from many colleges in the Midwest. Among the

schools sending student constitutions to the Senate of this college are Kirksville, Warrensburg, and Cape Girardeau from Missouri, and River Falls, Wisconsin; Ball State, Indiana; Tahlequah, Oklahoma; Wayne, Nebraska; Iowa State College; Arkansas State College; and Emporia, Kansas. Springfield State College has also sent some material.

Mason to Preside Over Opening Meet Of FTA Conference

Registration for the FTA Conference being held on this campus today will begin at 1 p.m. in the Horace Mann auditorium. Emmett Mason, president of the College FTA, will preside over the opening session.

President J. W. Jones will give a short greeting, followed by the main speaker of the afternoon, Mrs. R. R. Boswell, Missouri PTA and College Liaison chairman. Mrs. Boswell will speak to the group about the "Public's Cry for Good Future Teachers." Inasmuch as this is "NEA Centennial Year" Emmett Mason will give the history and progress of NEA.

After the opening sessions, the discussion session will be held in the Union. The following people will be leaders and assistants: Max Marsh, FTA Club, Albany High School; David Hargrave, FTA Club, Maryville High School; Earnest Gilson; Reta Peterson, Barbara Crowe, and Dana Wright, FTA, NWMSC.

Members of the John Dewey Chapter, NWMSC, and the Laura B. Hawkins Club, Maryville High School, will serve as hosts and hostesses at the social hour in the Union lounge.

Inspiring high schools to organize FTA clubs is the main purpose of the conference, but it is hoped that every FTA club can take home new ideas to encourage progress.

President Jones Gives 'Preview' Of New Program

President J. W. Jones was the guest speaker at the Veterans Club meeting, Thursday, February 28. He presented a brief history of the College, leading up to the justification and purpose of college expansion on campus.

Ever-increasing enrollments were one of the justifications for college expansion. President Jones predicted "that by 1960 there will be between 1900 and 2000 students enrolled at Northwest Missouri State College."

To Provide for Youth

The purpose of expansion, as pointed out by President Jones, "is to provide for the youth of northwest Missouri in keeping with the trends of modern times."

President Jones used colored slides to illustrate how the campus has looked in the past.

President Presents Three Points

The task of planning and looking ahead, predicting the needs and requirements of the College in the future, is by no means an easy task. President Jones presented three considerations that must be accounted for in the expansion.

1. Site—where the buildings are to be located. This factor must be studied to avoid obsolete arrangement in future years. Landscaping plays an important role as to the location of a particular building and its function on campus.

2. Relation between buildings and their requirements.

3. Last, but not least, the time element involved in construction.

Gives Preview of New Look
The highlight of the evening was the "preview" given the club of the "new look" on campus. President Jones displayed a model of the campus made to a scale. The

Members of the Student Senate who met recently with President J. W. Jones to consider the revision of the present constitution are Norman Higginbotham, Sue Wright, Ron Searcy, Jerry Overton, and Art Buckingham. These students, and perhaps other members of the Student Senate, will carefully study the old, long constitution used at this time and will try to make the necessary revisions.

Every student here is a member of the Student Government Association, and in order to amend the present constitution it is necessary that a majority of the students vote in favor of the amendment. Since members of the Student Senate are eager to provide a better constitution for the student body and are working toward this end, it is likely that this campus will eventually have a much better organization for student government.

It should be remembered that the old constitution can be amended only by a majority of the total membership in the association.

When the time comes to vote, there should be a satisfactory turnout at the polls. In the meantime all students should feel free to suggest to the members of the Student Senate the improvements that they think desirable in making the necessary revisions.

THE QUEEN . . . Barbara Sharp, a sophomore, and a member of Alpha Sigma Alpha sorority, was crowned queen of the annual M Club dance, by Dick Powell, president of the M Club.

Mr. Garrett to Attend Park College Fellowship

Mr. W. T. Garrett, chairman of the biology department, will go to Park College, Parkville, Saturday, March 9, to attend a state meeting of Faculty Christian Fellowship. As a member of a panel, Mr. Garrett will discuss "The Responsibilities of a Christian Teacher on the College Campus."

Others from here who will attend the meeting include Dr. Irene Mueller, Mr. and Mrs. James Johnson, and Mrs. Garrett.

Norman Higginbotham Is Officer of Seniors

For class officers for the second semester were elected at a meeting on February 21. Norman Higginbotham, a business major from Albany, was elected

other officers elected are elementary education majors. Shirley Helts, Maryville, is vice-president; Shirley Mottlinger, Grant, is secretary; Jean Swanson, Oak, Iowa, is treasurer.

Accounting Recruiters Be Here Next Week

Interviewers from the United States General Accounting Office, Kansas City, will be on this campus March 15.

They will be recruiting for persons to fill professional positions in Washington, D. C., and 19 other regional offices in principal cities.

Thirteen seniors are listed as members of "Who's Who, 1957," according to the Student Senate. These students are those who have maintained a high scholastic average during their four years on the campus and have participated in many campus activities.

Sixty Musicians Begin Programs On Two-Day Tour

The College Symphonic Concert Band leaves this morning on its annual tour of northwest Missouri high schools. Concerts will be given today at Mound City, 10 a.m.; Gower, 2 p.m.; and Kearney, 8 p.m.

Arrangements have been made for the organization of sixty musicians to spend the night in Excelsior Springs. Thursday, the band winds up its road trip with a concert in Excelsior Springs at 10 a.m. and a concert at Smithville at 1:30 p.m.

Mr. Moss Directs Band

The tour program, under the baton of Mr. Earle I. Moss, consists of the Commando March by Samuel Barber; Oberon Overture by Carl Maria von Weber; First Suite for Military Band by Gustav Holst; Concertino for Clarinet by Carl Maria von Weber, including Adagio ma non troppo, Andante, Poco piu vivo and Allegro, and featuring soloist, Miss Ona Morrison, Excelsior Springs.

The program continues with Peter I. Tschalkowsky's Swan Lake Suite, including Scene, Dance of the Swans, and Hungarian Dance; Ballad for Band by Morton Gould, and one of Mr. Moss's own compositions, South American Suite, including Beguine, Rhumba, and Fandango.

Dr. J. W. Jones Speaks Before Alumni Meeting

Dr. J. W. Jones, president of the College, spoke at the alumni meeting, Saturday, February 23, at the Molla Temple in St. Joseph. Dr. Jones spoke on the proposed building plans of the College. A short musical program followed his speech.

Following the dinner, which was attended by 40 alumni, officers were elected for the year. New officers are Raymond Kinder, class of 1941, president; Arlyne Cabiness, class of 1952, vice-president; and Nona Sawyers, class of 1952, secretary-treasurer.

Professional, departmental, and social interests were factors in the selection. Service and leadership on the campus, however, probably offered more points in the final selection than did the preceding factors.

The thirteen seniors are the following:

Arthur Buckingham is a business major with a minor in music. His home town is St. Joseph. Art is a member of Tau Kappa Epsilon fraternity, Pi Omega Pi, and Kappa Delta Pi.

Nancy Kariger, of Balboa, Canal Zone, is a business and physical education major. She is a member of Alpha Sigma Alpha sorority, Pem Club, Pi Omega Pi, Kappa Delta Pi, and Swim Club.

James Roll is a business major and economics minor from Lenox, Iowa. He is a member of Phi Sigma Epsilon, Pi Omega Pi, and Kappa Delta Pi.

Shirley Dieterich, Maryville, is an elementary education major. She is a member of Sigma Sigma Sigma and Swim Club.

Barbara Gromer, Elmo, is majoring in vocational home economics. She is a member of Sigma Sigma Sorority and Kappa Omicron Phi home economics fraternity.

Sue Wright, a music major from Graham, is a member of Sigma Sigma Sigma, Student Senate, and M. E. N. C.

Curtis Thomas is majoring in business and economics. He is a member of Sigma Tau Gamma fraternity, and his home town is Stanberry.

Roger Rowlett, of Mound City, is a music major and an M.E.N.C. member.

Norman Higginbotham, Albany, is majoring in business and minoring in chemistry and zoology. He is a member of Phi Sigma Epsilon fraternity and is a member of the Intramural Council.

Shirley Helts is a mathematics major and a general science minor from Craig. She is a member of Kappa Delta Pi and Math Club.

Kathleen Ferguson, Hamburg, Iowa, completed her work toward a degree last semester. She majored in English and minored in French. She was a member of Alpha Sigma Alpha sorority.

Billy Geer, Coin, Iowa, is a zoology major with a minor in chemistry. He is a member of Phi Sigma

Set to Protect You . . .

There must be laws for every organization and group, and your college is no exception. With approximately 500 potential weapons being driven around campus there is a definite need for campus traffic regulations.

Several gentlemen have been designated to enforce the laws, with authority given to them by the Maryville Police Department and the Board of Regents. These men are Mr. Charles Kalstrup, Mr. James Kay, Mr. Ollie Majors, and Mr. Vincent Smith.

Our job is to help these men have an easy and pleasant time doing the patrolling of the College, if that is possible.

Regulations set up for your benefit and mine are the following: (1) Every person operating a motor vehicle on the College campus shall not exceed 25 miles per hour, (2) All vehicles not in motion shall be parked in recognized parking areas. These areas are south of the Gymnasium, north of the Horace Mann School, north of the library building, north of the Administration building, and north of the Men's Quadrangle.

Tickets will be given for parking in the following places: Any of the traffic ways of the campus, in the driveway or turn-around at the Union building, or in the driveway west of the Gymnasium, or in the driveway or turn-around at Horace Mann School.

"A fool and his money are soon parted," so if a person insists on speeding, illegal parking, and reckless driving, the police department can always use some extra pennies.

—Dick Hargrave.

The Audience Applauds . . .

Conductor Mishel Piastra and the Longines Symphonette met a hearty welcome from a thronged auditorium at the College Friday afternoon. This famous group presented a program well balanced between classical and popular music.

It was the evident opinion of the audience that the music was beautifully played, as it should have been under the baton of such an outstanding director. His left hand, raised perhaps in warning, or signaling for greater volume from some particular artist, often cut down sharply to accentuate the rhythm. It was as though the entire orchestra were an instrument, to be played by the maestro with consummate art.

Mishel Piastra, the conductor, and Walter Brewus, concertmaster, appeared as soloists in the Concerto No. 3 for Two Violins by Bach, while the orchestra provided perfect background for the oft repeated melodic strain. Mr. Brewus also played as a solo Concerto in G Minor by Franz Bruch. The third solo, the Moonlight Sonata, with the pianist, Sidney Stafford, playing the leading role, was movingly presented as a second curtain call, and the last number on the program.

Tuneful music of later composers paraded through the second part of the program, led by the Irish washerwoman, with some new twists; Johnny came marching home again on a beautiful morning, while the surrey with the fringe on top brought up the rear of the procession to conclude a thoroughly enjoyable afternoon.

—Edna Shell.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

The Inquiring Reporter

"What is the second flag on the College flag pole?" inquired The Reporter of the first six persons he met Thursday morning as he left the Northwest Missourian office.

Answers would indicate that about a third know.

Dean Roberts, freshman, Atchison, Kansas—Gosh, I don't know!

Peggy McIlarg, sophomore, Osceola, Iowa—I don't know exactly what flag it is, but I think it is representing the 136th anniversary of the American flag.

Dana Dee Wright, freshman, Kansas City—I believe it is the Missouri state flag.

Dale Willford, graduate, Burlington Junction—I haven't noticed it. Is there another flag on the pole?

Gary Schenkel, freshman, Maryville—The Missouri flag!

Bernie Schrick, sophomore, Atchison, Kansas—I'm not sure.

Two out of six had the right answer.

This college is ahead of the State. A bill has recently been introduced in the Missouri legislature to have all state institutions fly the flag.

College Looks Forward As Parents Day Nears

Parents' Day, an annual event, will be Thursday, April 18. Since Parents' Day occurs the day before Easter vacation, parents will be able to visit the College and then take the students home.

Members of the Parents' Day committee are Dr. Frank W. Grube, chairman, Dr. Charles E. Campbell, Mr. Donald N. Valk, Dr. Kathryn S. Riddle, Mr. James Johnson, Miss Ruth Miller, Mr. Ryland H. Milner and Dr. Wanda Walker.

Notice

Hot pancakes will be served all day next Sunday, March 10, at Tucker's Cafe by members of the Maryville Kiwanis Club. Hot bacon, sausage, eggs, and coffee will be included on the menu. Proceeds will be used in a community project to be sponsored by the club.

As an added feature of the day Aunt Jemima will come down from Chicago to be at Tucker's. She will also serenade the College students at the Union between 12:30 and 1 p.m.

Campus Traffic Regulations

1. Motor vehicle operated on campus must be registered with the Registrar.
2. All college employees are empowered to sign complaints concerning violations.
3. Drive carefully at all times. Speed Not In Excess of 25 miles per hour.
4. Park Only in recognized parking areas as defined in Regulations.
5. Do not park in any traffic way.

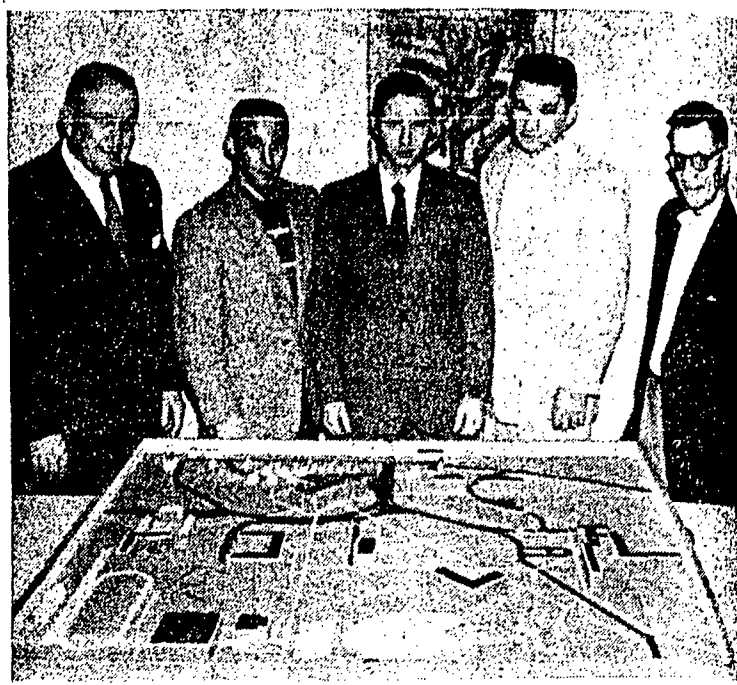

The Stroller . . .

As the Stroller was wandering around in the lower hall last week, sounds of shuffling feet drew his attention to room 114 where Dr. Kathryn Riddle's folk dance class was in progress. Everyone seemed to be enjoying himself so much that the Stroller has resolved to take folk dancing just as soon as he gets mid-term examinations out of the way.

There was a time that the hamburger was considered a typical American young people's delight. The Stroller read in a magazine recently that the ever popular pizza pie is about to claim that number one position on students' snack lists.

The Stroller wishes to inform the students that it is now quite possible to keep their feet dry and the doctor bill down if they would but follow the paths on the campus and cease persisting to make one of their own.

As a closing note, The Stroller is pleased to announce the coming of Spring. Mr. W. T. Garrett mentioned that the robins have already started visiting him.

LOOKING FORWARD TO THE CAMPUS OF TOMORROW . . . Dr. J. W. Jones, president of the College; Bill Sparrow, secretary of the Veterans Club; Lloyd Mather, president of the Veterans Club; Walter, treasurer; and Dr. Charles Koerble, dean of the faculty. The third dimensional plot of the campus in the foreground of the picture was built according to scale, approximately one inch to forty-one feet, by Mr. Bob Seipels, college carpenter, and was painted by Mr. Bill Mather and Mr. Albert Collins. President Jones used the plot Thursday night to show members of the club how the campus will look in a few years after the new buildings are completed.

Art Majors Visit Nelson Art Gallery

Kappa Pi, honorary art fraternity, and members of the Art Club recently made a trip to Kansas City, where they visited the Nelson Art Gallery and the Kansas City Art Institute. Peg Riley, Berniece Roach and Homer Williams made arrangements for the trip.

Miss Olive S. DeLuce, chairman of the fine arts department, supervised the trip, which was made by automobile.

At the last Art Club meeting, Miss Monica Giesken, secretary in the Registrar's office, entertained the group with her slides of interesting sights of Japan.

Five See New Furniture Suitable for Use at Hall

Three faculty members and two students went to Kansas City, February 14, to look at institutional types of furniture for Residence Hall.

Making the trip to see what types of furniture were available for the lounge were Mrs. Elizabeth J. Luer, director of women's housing; Miss Mable Cook, chairman of the home economics department; Mr. Luther G. Belcher, treasurer of the Business Office; and two students, Sandra Lee Bill and Jeanne Goodson.

Dr. Miller Attends MSTA Study Meeting

Dr. Leon Miller, chairman of the education department, was in Jefferson City last Thursday attending an all-day meeting sponsored by the Department of Elementary Principals of the Missouri State Teachers Association.

Attending the meeting were representatives from all the colleges and universities in the state which offer graduate programs for elementary school principals. The sessions revolved around what should constitute a good program for the training of elementary school principals.

Dr. Miller left Maryville Wednesday afternoon and returned late Thursday.

Boston 'Pops' Proves Popular With Students

Several students had the pleasure of attending The Boston "Pops" concert at Kansas City, February 14. The concert ranged from the "Nutcracker" Suite to "The Theme from Picnic," including numbers to please every musical taste.

The following students attended: Beverly Blohm, Norma Long, Nancy Kariger, Carol Gamble, Grace Denton, Shirley Motsinger, Raedene Eberle, Gary Funkhouser, Roger Rowlett, Steve Knott, James McIntyre, John Everle, Barbara Stuber, Dorothy Evans, and Kathleen Hopple.

'Glenn Miller Story' And 'Pinky' Coming Up in Den

Coming attractions in den movie are "Pinky," March 8, and "The Glenn Miller Story," March 15.

Jeanne Crain, Ethel Barrymore, Ethel Waters, and William Lundigan star in "Pinky," a deeply moving exposure of racial prejudice that affects the life of a light complexioned colored girl.

"The Glenn Miller Story," starring James Stewart and June Allyson, is a heart-warming story of the Glenn Miller Orchestra and Miller's search for a new sound in music.

Sixty Musicians Begin Program On Two-Day Tour

(Continued from Page One) Mr. Moss holds an M.A. degree from New York University and in his third year here at Maryville. He has become widely known for his Golden Anniversary March which was first played by the Navy Band in an assembly performance last year.

Conducting the Symphonic Band in one number at each stop is the student director, Richard Jenkins, sophomore music major from Cameron.

Mr. Brown Will Accompany Group. Mr. Everett Brown, field service director, is accompanying the band on tour and will speak to the high school students on behalf of the College at each stop.

The annual tour is sponsored by the Division of Field Services and the Division of Music for the purpose of informing district schools about the College and its musical opportunities.

President Jones Gives 'Preview' of New Program

(Continued from Page One) model started from a mere piece of brown wrapping paper and President Jones' curiosity of how the campus will look.

The model displayed was a pleasant surprise to the president, as three maintenance men went into action with more substantial materials and presented the model to him. It shows all the buildings present and future, made to scale from wooden blocks and arranged approximately according to their location on the campus in the future.

As to the question as to when the buildings will be completed and made available to the students President Jones stated:

"We hope to start construction by June 1st of this year and if everything goes as planned we should be in the buildings by the opening of school in the fall of 1958."

Six new girls are now living in the home management house. They are Bonnie Hooker, Parnell; Fiona Nelson, Gullford; Aileen Turner, Moravia, Iowa; Marilyn O'Connor, Cameron; Norma Jean Hawkins, Fairfax; and Glenda Rice, Pickering. Miss Ann Marie Sullivan, of New York City, is the supervising teacher.

While living in the home management house, the girls use all of their past experience in homemaking to manage an average home. The girls have a different job

each week. The various jobs are food manager, assistant food manager, purchasing manager, housekeeper, assistant housekeeper, and laundress. The food managers have the duty of entertaining sometime at dinner during the week.

During the past few weeks they have entertained Mr. and Mrs. Howard Ringold and Mrs. W. Burnet Easton at dinner. They have also had as their guests for dinner Miss Joann Harriethal, Miss Barbara Wilson, and Miss Barbara Palling.

Harry Bowes and Bill Geer were M. C.'s at the annual Phi Sig smoker which was held in the downtown chapter room recently. Bob James was general chairman of the event.

"Pee Wee" Rodriguez and Bernie Schrick provided music during the program. A trio of Tri Sigma members also presented entertainment.

Mr. W. T. Garrett, Mr. H. R. Dieterich, and Dr. J. G. Strong, faculty sponsors, were introduced and gave a few words of welcome to the guests. Jim Roll, Norman Higginbotham, and Bob James also gave brief talks.

Tennis Team to Begin Work-Outs Today

STRIKE . . . Velma Schwartz, a junior, and Connie Robey, a freshman, are shown here bowling at the local lanes, trying their luck at the pins. Both girls are active bowlers.

Random Shots . . .

The first baseball meeting of the season took place on Wednesday, February 27. More than sixty boys were present in response to the announcement by head baseball coach, Neal Tremble. Coach Tremble will cut the squad down to 24 men before any serious work gets under way. The hopefuls are now limbering up their arms by playing pepper games and some easy throwing.

The basketball season is all over with the Bearcats ending up the year with an 8-13 record which was somewhat of an improvement over last year's 5-15 slate. Three seniors, Bob Alcorn, Dick Phillips, and Mike Hutcheon, all played their last game for their alma mater. Coach Grégoire will sorely miss them next year. However, with such men as Marland Ray, Don Eklund, Jim Sharp, Ron Partridge, Leland Jackson, Ed Kavanaugh, Leo Bangs, Merle Sorenson, and Chuck Goff returning next year, the Bearcats have a good chance of moving up in the conference standings. In fact, that is the only way they could go.

The badminton tourney is over and Jamie Neely, who won it last year came through again. Neely beat Vic Cromer while Marvin Black disposed of Dana Sharp. Black then lost to Neely. Cromer won over Sharp for third.

In the doubles tourney, Black and Neely combined to win the crown from Guess and Rowley.

Problem Relieved By Construction Of New Gridirons

"Within two weeks the College will have a sorely needed improvement in its athletic program," stated Dr. H. D. Peterson, Director of Athletics. On the ground west of the National Guard Armory three full-sized football fields and a baseball diamond will be constructed.

The baseball diamond will be used by Neal Tremble, head baseball coach, and his squad. This in turn will give the Intramural League a chance for a diamond of their own for intramural play.

The football fields will be a great asset to the entire program. The fields will save the grass on the stadium field and also on the ground north of the gymnasium.

For a long time space has been a limiting factor for intramural teams, for Horace Mann teams, and for the College varsity squads.

Notice!

All men interested in going out for varsity tennis will meet at the gym at 4:00 this afternoon, according to Dr. Grube, head tennis coach.

Grube to Coach Promising Squad; Reserves to Help

By Dave Hansen

With the advent of spring weather, the scene at the gym has shifted from the hardboards to the tennis courts. The 1957 Bearcat tennis team is one that shows plenty of promise and potential for a highly successful season even though Dr. Frank W. Grube, tennis coach, has scheduled some of the toughest teams to be found in the area.

This year's tennis squad is the largest ever, according to Coach Grube.

Have Depth This Year

"We have a vast amount of depth this year, including six men with considerable experience. The men who made the squad last year are going to find it very difficult to make it this year because of the many fine tennis players who are out for the first time," said Dr. Grube.

Number one man on the tennis list is Charles Adair of Bethany who has been the big gun for Coach Grube for the last four years. He is followed by Larry Rowley, Bob Alcorn, and Dick Phillips in that order. Rowley was on last year's team, Alcorn was winner of the fall tournament, and Phillips was runner-up in the autumn classic.

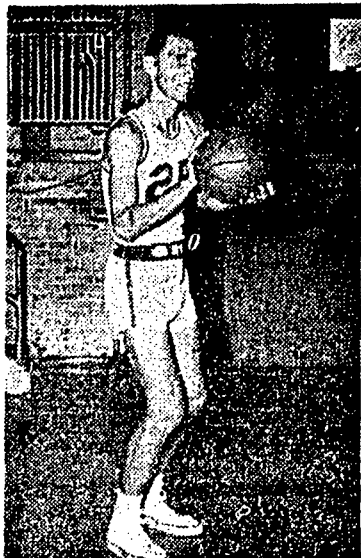

Other men who are fighting for positions are Merle Sorenson, Don Pierpoint, Herb Laake, J. C. Woods, Warren Landess, Jamie Tankersley, Joe Frederick, and Maurice Barclay. Men with previous experience listed by Coach Grube include Bob Severson, Ron Bradley, and Jim Bishop.

Lose Only One Man

"We lost only one man by graduation last year and with this new material we are looking forward to a good season," Dr. Grube stated.

Three tough teams included in this year's schedule are Omaha University, Kansas City University, and Warrensburg. It is hoped that games will also be scheduled with William Jewell and St. Benedict's. The tennis team opens its season April 6 against the Lincoln Tennis Club at Lincoln, Nebraska. The first home match will be against Kansas City University on April 25.

The state MIAA Meet will be held here at Maryville on May 10-11.

THE WINNAH . . . Hero of the Bearcat basketball season, Bob Alcorn, is shown here during a warm-up session at the gym. Alcorn won the MIAA Conference scoring crown with an average of 21.4 points per game. Throughout the season Alcorn scored exactly 400 points for the Bearcats. Bob was on last year's squad and played two years of junior college ball at St. Joseph. The Bearcats will miss his sharp eye and talented shooting arm next year.

Bears Whip 'Cats In Season's Final; Bearcats in Cellar

The Bearcats ended their 1956-57 basketball season by dropping the last game to the Springfield Bears by a score of 86-70 in a game played at Springfield. The loss gave the Bearcats a 2-8 record for the MIAA season and enabled them to end up in the cellar slot in the conference.

In the game played against the Bears, the Bearcats came up against a fast moving ball club that the men of Coach Bob Gregory just couldn't catch. The Bears held an 11 point lead at the half, and the 'Cats closed it to only five points. There the rally stalled, and the College cagers came out on the short end by 16 points.

Tremble Coaches Bearcat Baseball; Big Squad Reported

By Dick Hensley

Coach Neal Tremble's 1957 baseball squad began working out last week in preparation for the coming season. Sixty-eight candidates reported for the early drills; however, the squad is expected to be reduced to 24 men in a few weeks.

The Bearcats, in only their second year of baseball, will open a 13-game schedule against the University of Omaha April 9, the contest being played at Maryville. Tremble stated earlier this week that it is doubtful if any more games will be added to the schedule.

The return of six lettermen from last year's team which supported an impressive 6-2-1 record, bolsters the chances of another successful season. The returning lettermen include pitcher Marvin Murphy, catcher Ron O'Dell, outfielder Russ Davenport, and infielders Mike Hutcheon, Jack Little, and William Burnham.

Coach Tremble, in an interview last week said, "It's too early to say who will make this squad, but everyone will be given a chance to prove himself. I think we have some good prospects, but I don't know enough about anyone yet."

This is Tremble's first year at the College, where he assumes the duties of head baseball coach and assistant basketball coach. Tremble is a graduate of Drake University, where he received B. S. and M. S. degrees. In addition, he has graduate work at the University of Oregon and Colorado State College.

He has been assistant coach at Drake University and head football, basketball, and track coach at La Junta, Colorado, Jr. College, Fort Scott, Kansas, Jr. College, Friends University, Wichita, Kansas; and South Dakota State Teachers College.
